## VALENTINE'S DAY – FEBRUARY 14<sup>TH</sup>

Valentine's Day will be here before we know it! Each classroom may celebrate Valentines Day a little differently by way of activities and classroom projects, but all students will have the opportunity to exchange valentines with one another. The valentines can be candy, but we are asking that cupcakes, cookies, drinks, and other sweets not be sent in.

### SCHOOL ASSEMBLY ON TUESDAY

On Tuesday we will have a schoolwide assembly. On the docket is showing a slideshow of the skiing and skating that 3<sup>rd</sup> and 4<sup>th</sup> graders have done over the last month. "Hooting Star" certificates will also be awarded. The grand finale will be a series of fun Minute to Win it activities that students and staff will partake in. All are welcome!

### CHANGE OF CLOTHES

It has been a long time since we have had a good amount of snow for students to play in at school. They had a blast last week! Thank you for having the kids come to school with all their winter gear. Even with all the gear sometimes socks, pants, shirts, etc. could use a change after coming inside. We have some of these items in the office, but if kids could have a change of clothes in their backpacks that would be great. Thank you!

## KINDERGARTEN

Kindergarteners in Ms. Richards and Mrs. Watkinson's class recently completed "Our Community" unit of study. Students learned about the places in our community, what it means to be a community helper, as well as why people work. They finished off this week with a classroom store full of wonderful items.
